

## ***Swim Course Staff***

MultiSport Canada is looking for great people who are outgoing, enthusiastic, athletic and hard working to be a part of the Team. We provide race organization and support for races/events from June to September throughout Central and Southern Ontario.

We are seeking staff that are interested in sports, events and possess a positive attitude. Events are fast-paced and very dynamic and the ideal candidate will need to be physically fit with safety as a priority. Swim Course Staff will need patience and empathy when working with participants. The ideal candidate will be good communicators when interacting with volunteers, lifeguards and staff.

### Main responsibilities:

- assist with set up and tear down of swim courses
- unpack and pack swim trailer
- work with lifeguards to maintain safety during the event
- assist athletes during the swim portion of the race
- assist with event site set up and tear down

### Requirements:

- Will be required to attend up to seven triathlons from June to end of September
- Opportunity to attend other non-triathlon events from April to October
- Boating License is required
- Boat (Zodiac) driving experience is required
- NLS (waterfront is preferred but not required)
- Applicants MUST be physically fit and able to lift 75 lbs
- Effectively communicate and lead with enthusiasm
- Comfortable working on the water in all kinds of weather
- Approximate hours per event – 20 to 40hrs
- Travel and overnight stays in hotel as required (MSC to cover hotel costs)
